Without any package booking offered by the LOC, sports registration rights' fee is set to 100€ per athlete, who can participate up to 5 events.

Competition Regulations

World Para Athletics Rules and Regulations (Technical and Classification) current at the date of the event, that will be used.

International Technical Officials: Tarek SOUEI (UAE), Technical Delegate and Halim JEBALI (TUN), Chief Classifier.

Competition Schedule

The final competition schedule will be confirmed, after the sports' registration closing. The preliminary competition schedule is attached.

Technical Meeting

The technical meeting is scheduled at the eve of the competition at the Charley Stadium: Wednesday, June 13th (time to be confirmed). The NPC/NF representative's attendance is mandatory. Prior to the technical meeting, NPC/NF will receive a final confirmation form to make final changes. Bibs will be distributed per NPC/NF at the end of the technical meeting, and entries will be considered as final. If an athlete does not participate in one of his/her events, he/she will immediately be disqualified for the rest of the competition. Start-lists will be produced after the technical meeting and displayed/distributed at the Competition Stadium.

Medals Ceremonies

Medals will be given to the first three Winner of each event. Rankings will be based on the World Para Athletics' Points Score System. Competition format and procedures will be explained during the technical meeting.

#Classification

An international classification for athletes with New or Review status will be conducted prior to the competition. Concerning visual and physical impairment's classifications, more information will soon be communicated.

#Medical Services

Frédéric RUSAKIEWICZ: Federal Doctor and Competition doctor

E-mail: f.rusakiewicz@handisport.org

In addition to emergency services in case of incidents, a medical and paramedical space will be available on the warm-up field during the competition.

Your team will have the opportunity to benefit from sport specific advices along with medical and physiotherapy treatments adapted to disabled athletes. If these athletes have well-known problems, it is possible to come with medical files.

If you plan to come with a doctor and/or a team physiotherapist, we strongly suggest you that these latter contact Frédéric RUSAKIEWICZ. You will be able to share the common space with our team and exchange together.

A physiotherapy and first aid services will be present on the competition stadium.

#Anti-doping

Controls will be conducted according to AFLD's (French Agency Doping Controls) anti-doping controls procedures.

#Accreditations

Athletes/staff's accreditations will be given prior to the classification or during the first day of competition, at the Official Event Hotel. The LOC will deliver accreditations to NPCs that have settled their registration's fee (sports registration rights are included in package 1 or 2).

Warning: No accreditation delivery on the competition venue!

For obvious security purposes, every Stadium's accesses will be controlled. **It will be required from athletes, guide-runners and staff members to carry on their accreditation at all time, on all official sites (including hotels).**

The accreditation is personal and can't be handed over to another person at risk of an irrevocable withdrawal of it. An accreditation loss must immediately be reported to the LOC. The athlete or any other person will be charged 20€ to cover new production technical fee.
