Training

Athletes could train before the competition on the Charléty training track on Monday 26th August and Tuesday 27th August. The Wednesday 28th August it will be possible to train on the competition track and field.

Opening and closing hours will follow. Depending on kind of impairment the access to training will be different.

For information, the [training track is located at the same place that the competition venue.](#)

Medical Services

Karine KUZNICKI: Federal Doctor and Competition doctor

E-mail: k.kuznicki@handisport.org

Dr Frédéric RUSAKIEWICZ: Medical staff responsible

In addition to emergency services in case of incidents, a medical and paramedical space will be available on the warm-up field during the competition.

Your team will have the opportunity to benefit from sport specific advices along with medical and physiotherapy treatments adapted to disabled athletes. If these athletes have well-known problems, it is possible to come with medical files.

If you plan to come with a doctor and/or a team physiotherapist, we strongly suggest you that these latter contact Karine KUZNICKI. You will be able to share the common space with our team and exchange together.

A physiotherapy and first aid services will be present on the competition stadium.

Technical Meeting

The technical meeting is scheduled at the eve of the competition at the Charléty Stadium: Wednesday, August 28th (time to be confirmed).

The NPC/NF representative's attendance is mandatory.

Start list will be communicated during this technical meeting.

Your stay in Paris

YOOLA

Our official travel agency specializes in tailor-made stays for people with disabilities.

Please complete our Form with the following link to organize your stay: [Accommodation Form](#)

For any quotation request: info@yoola.fr

The LOC offers a shuttle option for an extra fee, from Paris' airports to hotels: **40€ per person**.

Shuttle

Contact

Florian BROSSARD

f.brossard@handisport.org

The shuttle is only from airports or train station to hotel. This includes the removal of sport material at the competition venue.

If you choose to use the shuttle option proposed by the LOC, here some advices to simplify the procedure.

You must contact us and give us some information about your:

- **Trip:** days, hours, airport, train station, accommodation place
- **Team:** number of athletes and staff, kind of impairment
- **Material:** races chairs, suitcase...

The most we have details easier it will be for us to offer you the appropriate shuttle.

Deadline: To organize your shuttle trip, we need all your information before Friday 21th August
